Hi Julie,

It looks like there was an extra "L" in my first name—so easy to do.

Thank you for circling back with Rich. He has cc'd the correct email.

And thank you for the notice of continued partnership! This means the world to the families we serve.

Melinda

**Thank you so very much, Julie,** for sending us the wonderful information that NFN will continue to be a partner with our state through this contract!!!

I am sorry that the email to Melinda came back. I apologize if we provided some incorrect information. I am copying

Melinda and Ron on this message.

I am sorry that I am responding this late in the day. I just returned from Jefferson City! (We had a meeting with the Children's Trust Fund on the License Plate program that helps fund child abuse prevention.)

Again, thank you for the information and for all your help during the proposal process.

Gratefully,  
Rich
